## **Every Place Has an Extraordinary Story!**

Inspired by the spirits of the characters that live in it, this story shapes the living areas by reflecting on the outside with colors, forms, and textures and gives them a unique identity. Setting out to contribute to these unique stories of places, Lineadecor aims to add value to living areas by bringing a different breath to each of them through pieces that mirror diverse styles. Be a part of this innovation and make your place a reflection of your story with Life, Lineadecor's new series.

## **Unique Balance of Nature and Design.**

Sprouting in the heart of the earth and challenging the years with the touches of rain, sun, and soil, the tree embarks on a brand-new journey with Lineadecor's signature. It meets genuine places that are nature's unique gift with the Life Series blending simplicity with technology and ingenuity.

A privileged experience is offered with products designed for a simple and modern lifestyle through the combination of handcraft, novel techniques, and quality materials.

Products designed flexible and versatile for different purposes to enrich your living areas and add an aesthetic touch to your places tell your story with each piece that brings timeless beauty and functionality together.
